Maison PHYTOMER, the celebrated beauty company renowned for its natural skincare treatments that are Made in France, opened PHYTOMER Spa & Wellness in Saint-Malo in 2015 to share our vision for beauty and well-being. Today, that vision can be experienced in each one of our three outstanding spas in France :

PHYTOMER Spa Émeraude, Saint-Malo, the birthplace of the brand: A replenishing heaven, tucked away in a peaceful garden, next to the most stunning local beaches.

PHYTOMER Spa Étoile, Paris 8th: An intimate, sophisticated space that's a stone's throw from the legendary Champs Élysées.

PHYTOMER Spa Trocadero, Paris 16th: A beauty and skincare destination in Passy, a chic neighborhood near the Eiffel Tower.

The PHYTOMER Spa Émeraude staff is here to help you choose the treatment program that best suits your needs and desires, while leaving ample time for relaxation.

And now...let us show you the care you deserve.

Phytomer Spa Émeraude has been awarded the Labels Spa-A and Spas de France, certifications which highlight the spa's commitment to excellence.
